Date

All students at Sacramento New Technology High School are required to complete 40 hours of Community Service over the course of their four years of high school. These hours are intended to provide them with experiences in the community that connect them with the ever present needs in our community for giving and serving. Below please indicate the tasks completed for Community Service Hours. Please also indicate and sign for the hours completed. When completed each student is to provide a copy to their Advisor and scan their documents to save to the network for their Digital Portfolio.

Paula M. Hanzel
 Principal
